

CONSECRATION TO THE HOLY SPIRIT

In front of You, Lord,
and the whole Church,
as a Lay Claretian

I would like to renew my commitment
to live in the service of your Kingdom
and to be a witness of your Word
in the middle of the realities of the world,
in every area of my daily life,
so that all may recognise you by their side
and enjoy your Divine Mercy.

I want to respond faithfully
to the vocation to which you have called me.
That is why I give myself entirely to your Holy Spirit,
so that He may be the One who guide me,
and following in his footsteps,
may I always succeed in fulfilling your Will.

Renew in me, and in my sisters and brothers
of the Movement and of the whole Claretian family,
that apostolic zeal that, like Claret,
urge us to work without the rest in the endeavour
***that You, my God, may be known, loved, served
and praised by every creature.***

Grant us, O Lord, your light and grace,
that we may faithfully know how to proclaim and
incarnate the joy of the Gospel.

With the help and protection of Mary,
and moulded in the glowing forge of her Heart.

AMEN
