

Prayer for the movement of lay Claretian Movement in the world 2017

Dear brothers and sisters layclaretians in the world, a fraternal greeting and a hug in Jesus Christ. In his missionary fire and futuristic vision, Father Claret sensed in the Shared Mission a normal way of mission "to do with others".

This is a motivational document that invites us to join and have a short time on a particular day to PRAY for all our layclaretian communities around the world.

In the middle of the postmodernism that wants to ignore God's presence, our life of faith and mission has the God's

certainty, feels Jesus of Nazareth brotherhood and the sweetness of the Immaculate Heart of Mary

What are we looking for? With our testimony to the service of the Word we seek to be leaven in the mass, and to be aware that we are an important force from our being church and staying in the church. We want to feel joined from our layclaretian identity and strengthen our faith

- **Date to join in prayer:** July 10th
- **Location:** wherever we are
- **Time:** in the easiest moment we can (with feeling).

Prayer

O Mary, Mother of Jesus and my Mother. I invoke your permanent company. I ask you to strengthen my faith in the midst of the difficulty, May your maternal love protect me from weakness. Put your heart in mine, to live in fidelity to the Kingdom of God. Put your love in me to defeat selfishness. Inspire in us the hearing of the Word to help us strengthen the missionary proclamation, For the good of many men and women And our own good. Amen.

Pray 3 times the Ave Maria.

To Continue Claret's Work

Lord, You who made Saint Anthony Mary Claret, our Father, a zealous Apostle for the glory of God and the salvation of men, grant us the ardent love that burned in his heart so that we may continue with intensity and effectiveness his apostolic work. May your sons multiply To spread the Kingdom of Jesus Christ so that in the moment of our death we may be worthy to be known as "faithful servants" of Christ and the Gospel. Amen.

Pray the Our Father prayer, the Glory and St. Anthony Mary Claret, pray for us.

We pray for the layclaretians admitted in the Movement and those who are in discernment, so that the Lord may live our vocational and missionary life.
